

15. *The Reading of the Haftarah on "Shabbath Hazon" (Is. 1:1-27)*
On this Sabbath preceding "Tish'a B'av" this Haftarah is read as follows: The first and last verses with the usual Haftarah tropes and the intervening ones with the tropes of "Lamentations." This is the tradition.

This scroll is read on the eve of Tish'a B'Av (the ninth day of Ab).
The style of reading of the Book of "Lamentations" is declamatory with a sense of mourning. The tempo is slow.
